

CHEPURI ANIL SAI KRISHNA

Chepurivaripalem, Vissannapeta, NTR – 521214 | +91 7601013770 | anilsaichepuri@gmail.com | LinkedIn

Web Developer with hands-on WordPress experience across 10+ live client sites, plus front-end internship experience in HTML, CSS, and JavaScript. Comfortable with Elementor, WooCommerce, and responsive design — looking to bring that experience into a full-time front-end/WordPress developer role.

TECHNICAL SKILLS

WordPress

Elementor

WooCommerce

HTML5

CSS3

JavaScript

MySQL

Responsive Design

Cross-Browser Testing

Python

Java

INTERNSHIP EXPERIENCE

WordPress Developer Intern Dec 2025 – Present

ET Creatives

- Delivered production-ready pages across **10 client websites** by building and customizing layouts in Elementor, reducing turnaround time between design handoff and live deployment.
- Enabled online sales functionality for client sites by configuring and customizing WooCommerce stores, including product setup, checkout flow, and plugin integration.
- Improved site stability and user experience by identifying and fixing bugs across live client websites, minimizing downtime and post-launch issues.
- Tailored site appearance and functionality to client requirements by customizing WordPress themes and configuring plugins, reducing reliance on custom development for common feature requests.

Front-End Development Intern Dec 2024

Optipyx Technology (AICTE) | Intern ID: OPT/CS/1249

- Delivered front-end components for client-facing pages by translating design mockups into functional HTML/CSS/JavaScript, reducing manual QA cycles through consistent cross-browser testing.

Web Development & Design Intern Nov 2024

Oasis Infobyte (AICTE) | Certificate ID: OIB/D1/IP156

- Built responsive web page layouts using HTML5 and CSS3, improving cross-device usability across mobile and desktop breakpoints by structuring semantic, mobile-first markup.

ACADEMIC PROJECTS

Digital Platform for Women's Safety — Developer 4 months

- Built a safety-alert system triggering real-time GPS tracking, automated SOS calls, and audio/video evidence capture in a single tap.

Event Management System — Full Stack Developer 4 months

- Replaced manual event coordination with an automated, MySQL-backed scheduling and reminder system for multi-stage events.

EDUCATION

B.Tech, Computer Science and Engineering 2022 – 2026

Guru Nanak Institutions Technical Campus | CGPA: 8.7

Intermediate 2020 – 2022
